

**Training Calendar of NTH (SR), Chennai for the Year 2024-25**

Sr. No.	Name of the Training	Month	Duration	Nodal Laboratory
1	Training on Plastics Testing	April 2024	02 Days	RPPT
2	Destructive and Non-Destructive testing	May 2024	03 day	Mechanical & NDT
3	Chemical Testing of Cement	May 2024	05 days	Chemical
4	Testing of Electrical Cables with FR& FRLSH properties	June 2024	02 Days	Electrical
5	Evaluation of building materials through quality testing	June 2024	03 Days	Civil
6	Training on Rubber Testing	July 2024	02 Days	RPPT
7	Mechanical Calibration	August 2024	02 days	Mechanical
8	Chemical Testing of Metals by OES (Optical Emission spectrophotometer)	August 2024	05 days	Chemical
9	Testing of PVC conduits	September 2024	02 days	Electrical
10	Testing methodology of constituents of concrete and design mix as per standard codes	September 2024	03 Days	Civil
11	Training on Paper Testing	October 2024	02 Days	RPPT
12	Legal requirements and Civil engineering /building material's quality assurance through national & International standards test methods	November	03 Days	Civil
13	Destructive and Non-Destructive testing	November	03 day	Mechanical & NDT
14	Microbiology Test of Packaged Drinking water	November 2024	05 days	Chemical
15	Testing of Electrical Cables with FR& FRLSH properties	December 2024	02 day	Electrical
16	Training on Textile Testing	January 2024	02 Days	RPPT
17	Testing of PVC conduits	February	02 days	Electrical
18	Metallographic Testing	February	02 days	NDT
19	Analysis of Toxic elements in Drinking water by AAS	February 2024	05 days	Chemical
20	Quality assessment of Flooring and roofing materials through material testing	March 2025	03 Days	Civil
